HUNAN

Hunan is one of the central provinces of China and one of the most scenic areas in all of Asia.

It offers beautiful valleys, densely-forested mountains and the serene waters of Fung Ting Lake. Ice and snow cover the land in the winter and in the spring the melting snow feeds the lakes and streams to overflowing.

Over the centuries, the people of this area have developed a special spicy cuisine designed to satisfy the appetite and warm them during the long, cold months.

We at DIAMOND WOK have chosen some of the authentic and delicious dishes of Hunan Province for your discriminating taste.

We welcome your comments and criticisms and would be pleased if you told your friends and acquaintances about our restaurant.

Hennessy
X.O.

Hennessy X.O. is a world-
renowned Cognac
remarkable because of its full
nose and its subtle and mellow
taste. This very old blend has
been aged in barrels which have
generously imparted their share
of oak flavor. While expensive,
X.O. is the choice of many Cognac
connoisseurs.

DOMAINE
CHANDON

Chandon Napa Valley Brut
has a classic champagne
style nose, coupled with the
freshness and vigor of Napa
Valley grapes. A blend of
black and white varieties
(Pinot Noir, Chardonnay and
Pinot Blanc), its complex
delicacy makes it a delightful
aperitif.
